Pause, Magic Dog. By Iain Innes. **Note: This New Movie Script Opportunity Is A Work In Progress.**

Film Script 13. B... Pause, Magic Dog. A.K.A. Little Puppy Dog Christmas Everyday Film.

Introduction.

A movie about a Dog. A very special black and white world cause 100% pedigree Border Collie Puppy Dog that's wearing a purple neck bandanna and fantastically special incredible Holy Cross and Christmas Digital Inventor Collar = this film is the opposite to beeping at J\*ws film. The Dog is called "Magic Dog" and her owner/inventor of this fine works has a 360+ now 1500+ invention opportunities business suite. The talented man and his dog really know the layout of the land. They're up against an evil tall type... Indian Chief more expensive and rarer war treasure antiquities smuggler who also peddles fame for the famous family plus his crooked Cook/Chef Silly Billy Wife Plastic Titties Cheeky Bitch Sally The Sow The Big and Wicked Night Witch Cook-Up Whore whom are ?ell bent on ruining the world with... The \*evil

Entity of The Christian/and Muslim faith. The Villains and their night priests trap dogs in cages and cook them up in many global dip spit shit and spoon restaurants and posh curry restaurants and sell all their brands in supermarkets worldwide they are f\*cking billion/billion/billionaires. Their Henchman and hot wenches work in back allies across all network lands including the baron lands. They are in with all the posh Governments of the world including those who speak back words tongues = God. They prayer also with an = in-famous Zombie and Vampire dark-light and must be put straight. The Evil Fairy of Fire appears in the flesh in this particular film. What! He's gob smacked at his re-incarnation and it has really gone to his head, he is a real big head... His Witches even wince with their own balloon heads of farts... He commands in front of the, plus the spiritual onlookers and very powerful temple followers that are actual manifest also all Demons/Fallen Angels are so strong magically the one 1/3 and definitely 'not' a big muscle man motor biker clique sir for this is a fairy tale, a very sweet fiction film. The clever owner of the heroic Dog teaches the world like text book to love and slaps down beats all bad in the final days with niceness. This Magic Dog melts the evil/dark forces hearts with cuddles and lick like kisses alright. Instead of heads getting busted the Dog turns all evil into defeated magical fairy cakes that are feasted on in the Heavens and the coming Heaven on earth forever saga. The film has imagery iconographic meaning of everything positive decent and good nice such as field after

field of butterfly fly's and bumble bees smelling flower daisy' and sugar syrup and spice honey and sweet as perfume the. She looks right into your eyes, barks and all wicked and good folk's belongings magic into gold and silver and diamonds equal to the mines. She taps her right toe and pavements and buildings magically turn into solid 24 carat gold. The Film Master/The New Master/Her Master is a Master Inventor. I'm of course the smartest business innovator + in the movie as future foreseen tale transmute tinct base metal into finest gold with even added better skills. Towards the end of the movie after even his dog if you like succeeds in defeating the wicked Men and Woman, Demons, Zombies, Vampires and all-over other Evils and Dictators ascend to the Heavens and reascend from the Heavens with the completed alchemical powers and new layout of the land Heavenly Orders. Pause, Magic Dog... In Pause, Magic Dog... Movie the Magical Dog and her owner for example cuddle and charm right all the wrong-un' including other Gangster and the Muslim fanatics/\*evils and \*evil Worshippers their hearts melt and everything turns out swell. Well... The stars of the movie work with the supernatural Heavenly Powers of the Holy Ghost and all new bonus powers. \$££ they read left to right plus The Buddha is also in their nest/camp. The Dog doesn't eat people like J\*ws beeping at again film in the water. The Magic Dog Pauses and makes people, makes business' money plus makes your day nice... For she is the fluffiest cleverest most beautiful Pooch that

ever blessed the earth and yes... I and I the Dog's Master writes it good and makes La\$£i£ doggie bow-wow look like a slow coach.

Pause, Magic Dog.

Scene 1: The 1<sup>st</sup> Day. A, B, C,

A =

The Fabled manifested new Magic Dog/Little Alpha Dog Puppy of the Land is standing in the road with a million/billion butterflies and bees around her as trumpets and hearts resonate from his digital landmark collar turns brilliant colours of red blue green yellow silver then gold. The Magic Dog pauses, barks. The heavy clique tough nut Biker Gang slow to a stop. Thousands upon thousands and thousands of pounds' worth of bank money notes magic visibly onto the ground in front of them all. The beginning. Every one smiling.

Spelt out... Pause, Magic Dog.

B =
