Film Script Titled..

A New Five-Fold Sequence Of Universe Parable Fables.

By Iain Innes.

Contact Iain Innes email: BUSINESS@INVENTIONCORPORATE.COM

Telephone Number: +44 (0)1273 900055 United Kingdom.

Introduction.

A better #1 ranked epic sequence of film script movie inventions. All of these are easily literature advanced plus much better than brilliant and preciously gifted. The following film shorts I'm going to display shape alphabetically into new innovation wondrous content. The figure and format cash must amount to X many calculations. This is a must, watch and concoct buy upon a time by the improved word configuration master. 5 movies in 1.

SCENE 1:

Opens with 4 frames of a square $\frac{1}{4}$ each segment turning red blue green yellow clockwise in each sequence followed by a golden gong with bright white lightning strikes from it being struck on a 10 X 10 grid top left to bottom right of the shot by a smack wizard spider in a rain coat wearing a curry magic film golden digital presentation Badge.

Scrolling up the screen in white on blueprint plus in extra a

dded 3D writing in association with 360+ complete whole suite
alpha-beta business mega quota accountability inventions
WWW.INVENTIONCORPORATE.COM better than magically conjures you
up via the spirit of the vaulted bogeyman scores more of
innovation film magic now 1600+ invention opportunity chances...

Luxury enchanted drum rhythms roll in from the distance then
visuals of loud up close ghostly snare drum sticks playing a
golden tune drum roll. Then symbols crashing several times pro
fast.

SCENE 2:

Left to right scrolls the text...

"Film script #1."

A New film script titled.

"GOD TODAY."

Well Iain I don't think that I'll even bother they're all in such a rush. I'll just smash The Devil Entity for him in this film instead for starters tonight. All that is needed now moreish is a screen fade to light brilliant white and heavenly sounding trumpets and fanfares to the spoken words sweet sounding with exotic chocs, extra written treacly saccharine and some holy weighted desert sprinkles.

God easily smashes... The Devil/Satan/Lucifer/and Beelzebub. Then reverses the entire lot. God doesn't even bother to start the universe in motion tonight.

Also spelt out 1 letter at a time with the audio...

Another invincible graphics FX of the man' teeming in imagination, prolific and copious is his bearing + this is a bounteous omega fiction film innovate new beginning to end and to the death.

It could be easily done my little gun son the complete reversal he could easily do it. Write 4 seconds of silver and golden lines going up, then down... Left then right. Visuals of The Almighty God sitting aloft in the north of the heavens on his throne.

Transition to a double-sided triangular mirror turning around with the moon reflected one side... The other displays the sun between a man's 2 eyes in a very shadowy setting.

SCENE 3:

Left to right scrolls the following text and pauses...

"Film script #2."

SCENE 4:

COMMENTARY

Part 2. Titled.. God The Sorcerer.

Visuals of the following... Speech spoken behind a screen.

GOD THE SORCERER

The unbeatable numerous God The Sorcerer comes back to battle it all even it up with actual battle magic combat sorcery wins. He physically opens the heavens and a lightning style void approaches the. He astral projects the passing demise out of everyone. Completely on all the 7 levels of the astral plain and over all the physical earth today please.

The next text with no motion or fade spoken by the narrator.

SCENE 5:

NARRATOR

So, this is a film about astral projection let it be told. All unholy heathen bitches innovative cook up witches and sorcery nuns and Devil night priest' bogeys and imaginative goblins with their doomed black pots enchanted power cauldron' against God's astral projection physical action sorcery is today made nought. For within the brilliance of God' light is the Wizard of God he is a powerful sorcerer he has the power up of God and... The Devil gave it to him also a near perfect balance of the yin and yang is achieved made unto him the art... Anything astral projected onto the or unholy craft performance onto him/The Wizard Of God gives back in deeds several plus fold he can act astral project out from his universal power tactics garb anything and... In this f*cking movie he takes nasty liars' souls off them 'easily' he sends them to where limbo/?ell for a really f*ck bum time a very curry bottom nasty and

slashes ass with his 'hot' curry powder
sword 11 5 1 7 0' clock asterisk signage
type and the special engine FX is
pixelated in an added forever ultra very
favourited mega eons worth of fame. It
lasted nearly forever and ever. Plus, at
the very bottom of this movie pit is the
wet h*nky bitch sex action up brothel
bit and a, terrible! She witch.

SCENE 6:

GOD THE SORCERER

I again appeared right side next to the
holiest assembly of light as God The
Sorcerer in nightmare' of men akin I can
do this by art and by speaking it happen.
By clapping my hands, it happens, by
thoughts make it happen I can even via
living electricity internet grid
function email it happen or write pen
stamp out any foe' soul making it

transpire materialise. Forwards unto the
dark abyss of mayhem.

Visuals of somebody receiving an inbox on a computer terminal
and f*cking h*nky letters coming through a mystery letterbox.
A telephone rings it is answered..

GOD THE SORCERER

Taxing even in thought over any ones
bugged telephone I can demonstrate the.
Plus... I can even send you onto a
fictional Hell of which all other cheeky
C's have been sent through the void if
I know not you are a male or female C*
in these gruelling days. Is it to much
to f*cking ask for you to keep quiet?

An ace futuristic glance 2 second frames of a separate male +
a female toilet sign.

GOD THE SORCERER

Anywhere in the world that I know about probably with ease everything in the cosmos. Plus, down the drain is it the earth going to pot.

SCENE 7:

A 10 second photograph flick book imagery of the planet earth show in front of the entire cosmos universe.

SCENE 8:

Now action... God The Sorcerer is looking down at the blessed war stricken and polluted earth sphere imagery from the moon/dark satellite monitoring on a viewing monitor the monster of which is man X3 timelapse videography sequences side by side of known history through to the present day lasting but 30 seconds.

SCENE 9:

COMMENTARY IN A MINISTERS PREACHING TONE

All this was foretold in fate and it has been made known to the public in his earlier works plus here tonight by the battle of God's powerful sorcery projections written is the prophecy.

SCENE 10:

God The Sorcerer upgrades the astral projection... A thin thread of silk from the bottom of his spine out through the conjuring screen.

Cut.

SCENE 11:

As it reads thanks, ya brat...

Behold... Followed by a dark rights witch' pot, boiling in magic arts. Out from the pot a blackness arises a new found humanoid figure in a stretched up black silhouette sheet with jet black sequins new shiny flecks looking disguised a bit like the ace famous classic V*****t P***e V.P. Actor fact... Coming like the welkin he slit cuts open with his hot powder swish power better written skilled favourited early light star bronze age type knife sword sabre sword the magic sheet to reveal... Further unto the great knowledges of the seraphic arts increasing tremendously the huge power up angels appeared upon the apocalypse steed before the and alongside in recurrent aether tune hits went the many sexed up number one wins of the on-form text semi-nude magical female angels invention correct and via the holy order real formatted fire and ice exact form and method alchemy style nymphs within very nicely done up dolly makeup in evidence facts datum. Now follows... In fine sequence the boasted about best all universal galaxy' FX special graphics combined within this humanoid shaped pot projection alembic of complete blackness +... Whom might I add as well sayeth a priest slays the unholy creature cuts her down the unclean heathen bitch. O' the angels did sing forever about the inspired artistic flair of this creative movie owner plus 1600+ invention concepts original writing and that was the extra arts thou at 12:59 midnight schematic and consumed in vessel fire. Plus, written developments include extra smiles across the entire midnight

grid and Christ raises aloft the victor' banner via the alchemical winged hexagonal bath and raising secrets and secrets of the knowledges of the art.

Cut.

SCENE 12:

A mysterious man awakens rubs his eyes to see a hundred plus semi visible small to medium sized yellow orange tarantula spiders crawling across his bedroom ceiling and walls also onto the water film of his gritty shattered bushed eyes, yes okay.

Transition to next scene. The moon reflected onto a decagon sided room of mirrors.

SCENE 13:

VISUALS OF AND IN THE VOICE OF GOD THE SORCERER PROJECTING HIS
SPIRIT UP REFLECTED BACK DOWN VIA THE HEAVENLY POWERS AND THE
ART...

The others had been awake for at least
24 hours God The Sorcerer power
supernaturally transcendently astral
projects the sorcery from the living and
the dead of sorcerers... God not I
magic/physically the actual formatted
action of the happening... New astral
projections of sorcery boards onto the.
Sir! The walls metamorphosis and slide
up into position all types of being' of
the animal plane projections to the
tired eyes of folks. Some of them saw
him. Photographic picture still of 'The'
Devil miniscule on the floor plus now
sayeth the most dangerous art the power
epicentre of the mirror.

SCENE 14:

Visuals of a man's hand pointing the following words out in the dictionary... Speed up turning of the pages then a 1 second pause on the words.

And now speaks 'The' Devil' sorcery to God The Sorcerer.

THE DEVIL

Better innovation have your magical bounty and a film cinematic slice of cheese on toast because now you're going into battle again with f*cking all of them mate.

GOD THE SORCERER/AND WIZARD MAN IN UNISON THAT ARTS THOU

Let the unholy act commence.

SCENE 14:

With a finger pointing up through the earth to the heavens followed up with a God finger pointing down from the heavens with new inventive creative creatures singing and chanting in sequence...

THE VOICE OF THE ALMIGHTY GOD/AND GOD THE SORCERER/AND UNKNOWN

GRAVE TUNNEL CORPSE IN UNISON

Built up again have they then aye...
Sayeth the corpse decomposing and
stewing in scoffing living maggots under
the ground in his crucial grave casket
dead sickness all cynic critically
upside-down limbo rot. Plus... through the
slop of it I right for the and more extra
authoritative powers controlling
quickly into a short space of time
herein projected now is the flicker
proper religious lesson... A real
religious lesson emergency crux biting
onto the head of one' temple and the
global audience looked on as everyone in
the universe in fact got one of those
that f*cking time... With lines continued
added onto this newer hostilities'

spittle and better acrimony of snarling
teeth vision quests, viewing sessions
also containing more exact form and
method from the, of the alchemical
golden art... Penned shamanic rites plus
the cleansing dark light converted into
its correct accurate audio frequency.

Visuals of the bitten apple of knowledge on 'the' apple of eye
planet.

SCENE 15:

GOD ALMIGHTY/PLUS THE HOLY GHOST CHANNELLER

Do not forget who's the boss here... God,
Christ, The Holy Spirit the best
available triangular winning nexus also...
The Ultimate Horned Evil Spirit plus God
The... Powerful Sorcerer... Is going into
spiritual battle... From behind the penned
invention amplification formidable able
mission machine movie demo completion

effectual contraption the pro all system
great worthy and effective enchanters
screen of power now possesses... Acquires
new measurements for the art and
processes the meaning of thy magical
spell.

SCENE 16:

INT.

Scene cuts to visuals of a hooded monk man cooking himself a
cheesy on toast then eating it as told by his majesty 'The
Devil' my son. In stages lasting 30 seconds of innovator.

Pictures of bloody knuckles popping and clicking.

SCENE 17:

GOD THE SORCERER

Come on then.

INT.

Follows...

An altogether divergent total diverse sorcerer astral projects differently onto the walls of Zion the other witches voice projections target aiming the art himself this time achieving an angle and innovation feat so unique of smacked sorcery smack wizard that the eye's moving up the room wall from deep below the mortal earth' crust essential core central astral changing the projection and thy might and magical strength which now even The Satan is unknowledge-d about Santa' favourite magical pact friends and involvement in the finest and most secret of arts... + the display of inventions of the company quota suite in question portfolio arts grid and acute written movie graphics... Keeps gaining more info manifestation about the art and cannot be stopped by any evil... Now sing a gifted backed up format loaded with proficient angel magic strident teeth which is skilled greatly in boasting also ingenuity plus all across the big business boardroom and to the tired eyes through witchery and sub plane mapping of the argent vive unicorn changes correctly classified to an alembic firebird and follows... An early sunrise demon in flames mirror angle followed by visual

alchemy signage pact graphics and of course a closed eyes veiled curtain window via a zone of Zion later... On in the day is the projection forwarding in time of its futuristic net worth... Plus many of the well yin dodgy faces onto the toilet wall and the profane smelly old sailor face which is a semi visible image still there through the cracked later door which you wished onto the O' dark one of madness the others know much about their witchery and do it nearly all the time. Know to them it's not a poltergeist. Prayer to the it's got to be the nastiest possible f*cking thing malicious life force. Don't even think of it hot click. O' newest viewer/soul watcher it might fix jinx its spell unto the. Contained within a bolt of lightning was his quick mind set a lighting thought of a four-matches voodoo inner judgement as he crossed the roads home knowing it somewhere else... Snapping it lost away from the with the snapped sulphur less fourth match it cannot follow them home either because it? Is definitely lost without the dead match. Today O' viable is the light and the pastures green. Entertainment creator in his mind to God The sorcerer, in his mind to God The Wizard plus mighty Jesus Christ holy spagyrist.

Cuts to Christ and 'The Devil' playing elemental chess. Lasting 20 seconds.

SCENE 18:

SCREEN/GOD THE SORCERER WITH THE FOLLOWING VISUAL

And now just like the hell f*ckers film of hardcore sorcery internet video graphics standing astral projecting it again my son the lucifer I project the red/to purple spectrum all magical light ball transparently nearly invisible to the empathy brain chemistry and eyes, yes... He projected it sir from my mind spiritually to someone else's home the.. Moving ball of power. A glowing red/to purple growing light from my hand projects forwards whilst reading the big enough spell book opened in my other.. This type of flashing electro orb around my person hooded cloaked head moves very express fleet and soundlessly across the wall followed by its incentive shadow the coloured power energy stimuli goes as a special effect wizard should that is a mind wizard. Plus, then I and I in a shamanic trance walked through brick

walls in a witch doctor' attire élan
chic so vivacity ghostly and holy in
form.

SCENE 19:

The sun rises and the sun set' for another enchanted eon in
quick timelapse photography.

Now the moon reflects around onto a decagon sided room of
mirrors.

SCENE 20:

GOD THE SORCERER

Yeahyyeeesss, with his protected IP
invention new schematic concept a 1000+
number within the company portfolio wand
shaped video image file projection lamp
which powerhouses... The entire known

earth and universe memory banks... Which also is microphone voice controlled with a built-in stereo speaker allowing audio and complete visual alignment plus a further complete manipulation of the inventions memory banks this new system device and the command process and pressing of the correct buttons is the meticulous precise end of this part of the advantage golden content gratis skilfully presented alpha place weighted extra brilliant one' generous film established propound pose.

Cut.

SCENE 23:

And action the following immediate text is spelt out white on a blueprint background...

"Now New Film Script #3. Titled. Knife The Wife."

NARRATOR

Is as follows...

A BEARDED MAN

Fiction as soon as I saw that particular knife in the shop it spoke unto the telling me a tale of actual tall ones. It explained in its evil alphabetical sharp tones in great secret detail what I was meant to do with her, plus... Through new nightmares of the night the manifested witch demon' madness had to be straightened completely silenced put to death... Plus the wench bitch's bit sexed up text wet pixelated slit was hushed through the mazy abyss of her muzzled mind thus sending her onto an oven hell conflagration inferno to be a slave down the mines with the earlier burnt chimp offerings of the writer' innovative art...

SCENE 24:

The following actor/s visuals in alternating blues and white templates...

IN A SMARTEST OF PROFESSORS COMPUTERIZED/DISGUISED VOICE

It also told me... Writer of the flirting
decree wins, writer of the order... Writer
of his elementariness invention... That a
man's written obsession with his
dalliance knife is as fondly felt by the
one' that feel it true apple of eye as
he would fondle philanderer his wife and
his many mistresses, he thought of his
knife very dearly so to speak. One
evening Al month on the wife and I
started another argument over money. You
user you think more of that knife than
you do me you bastard. It was last straw
I flew across the room shot into the
kitchen grabbed that innovation knife...

My wife knife and I had finally now done the onus deed. The un-savoury wet wench was knifed really, really... Done in entirely via the tempo fanatic dance. I've killed joined up the dots and married them both knife to wife, wife to knife. This was of course terribly satisfactory a death to dance to and I admire the way he wrote that I'd like to read it someday view it at the cinematic venue... I hope the mouthy little sally has her legs open on screen to show off the fleshy parts writer, and... When and if I'm released from R*mpton hosp-it-al top, top...

VOICE OF ANOTHER NUTTER

Top psychiatric hospital for dirty little girls of the n*gger h*nkey go censored out funny farm haahthfahahahaeh you rat. What' the f*cking matter with ya clicking freaks are you a man or a mouse mate is if I give a clicking flying f*ck what you think ya dumb c*nt.

SCENE 25:

NARRATOR

Plus, I don't' give a f*cking monkeys
mate what you f*cking think this is a
well valid authentic tough nutter who
writes you an on the f*cking header then
son gun. Now the life-ing it knife loon
maniac sh*t was in his padded room with
a real crappy vile valid endorsed
poltergeist you've never seen one as
nasty as this before in a movie. I just
jumped it up respectfully sang rapped it
through empirical observation chance..
Put it there in writing by the all-
magical skill... It came with an unknown
measure of mental illness it was
exclusively wholly completely very un-
savoury from the end-to-end void
drenched in mayhems... Attired in
blackness through the connected snapped
chaos usage beyond the hell chasms via

the click onto universal point multi
dimension.

SCENE 26:

Descriptive commentary... A photographic still of the special FX loony bin/a hotter mental hospital zooms out to the entire celestial heavens sphere welkin visual which is further slashed open swished with a knife in one' swanky depiction revealing an up-scale chamber with a seriously brainy person' brain cut out and cooking in a blueprint style coloured big pan of cheap millet with a picture of their mugged face pixelated on the side of the cooking pan big pot... Which changes metamorphosis into many mythological creature' face' in special FX graphics seen by the squinting of the eyes lasting 30 seconds 3 seconds a piece... Furthermore, the shot moves out of this affliction dungeon cooking room and down a series of connected image different global country' corridors of power with an audio alignment of loud quick walking footsteps getting closer and closer plus finally a concession red blue green yellow gold set of curtains open in sequence to make known...

SCENE 27:

"Film Script #4." Another short. Titled. Smack Wizard. Shoot..

Opens with.

The dark satellite/moon orb reflects onto a large triangular mirror through its window of opportunity at a 10' clock position and angle.. There's is a timelapse photographic total lunate eclipse, cut.

SCENE 28:

The crescent moon visuals now reflect onto a different graphics mirror moving into place from above as by angel magic in turn is reflected alien onto another moving into place from below from the left and in turn from the right sequence, cut.

SCENE 29:

Now the Smack Wizard' circular blueprint... Computer portfolio suite raised typing terminal moon is reflected via the light down from the heavens across his face temple to temple left to right with a pause at left and right position then moves into place between his eyes/the central 3rd eye venue position locus. All the following visuals are controlled and projected upon a time around a set of 8 triangular mirrors around a circular shape at a secret unknown destination in slow motion... The moon is now seen from earth beamed onto all 8 mirror time points in true sequence... New Moon, Waxing Crescent Moon, First Quarter Moon, Waxing Gibbous Moon, Full Moon, Waning Gibbous Moon, Third Quarter Moon, Waning Crescent Moon... Cut.

SCENE 30:

Narration visuals and audio of all 'Iain the Writer' speech
Thanks you bitch...

Iain The Writer

Then a full moon visual appears at the
top of the shot above the... Then at the

footer of the shot below the then... A
pause of blackness darkness followed by
an 8 second sunrise timelapse followed
by a visible early daylight single moon
visual reappearing on each face of a
magically enchanted levigation chamber
alchemical story mirror cube, my... Unto
the viewpoint prospect cube is a from
above angel magic the complete vault of
heaven projection love not f*cking your'
beauty and is of the combining strength
my little pretty of the very best
available arts thou build. This f*cking
universe cube also always drives
forwards turns right clockwise, and...
Good shall always grow massively in
fiction and factual exhibitions a sign
index expression materialisation of the
art, just read on... It is born of triple
measure, hot, strength curry powder
faster and faster then, stops. Suddenly
the alchemist in mind to the invention
creative flair vessel shows 5 wizards
each with a different spider' face on 5
of its 6 sides followed by the writer of
the arts/The Smack Wizard' face

projected.. Onto the 6th then the exact sounds of distant thunder quickly draw' in closer plus across the 'mirror' faces scrolling upwards is the wording '1600+ original invention schematics are awarded by the maker' on all precious facets of the object and the movies originality herein... Shows off a better than intense spinning turning squ*re cuboid and what are you f*cking beeping at c* this deluxe item now also flashes extra silver and gold Special FX blessings. A blessing of rain arrives from the sky' and grows crops from seed according to its kind in timelapse photographic... + onto all sides of the mightiest invention cuboid across all baron lands big penthouse suites and very importantly spanning across all-star constellations in all galaxias the Smack Wizard materialises radiantly glowing in beauty... Plus magically pens the ultimate movie wins. With a flash of orange/red/tangerine coloured lighting spreading completely across the universe panorama a dawning ecumenical vanishing

point limit vista in skill the
alchemical art projection of the ferment
elixir transmutation process is again
revealed and... Even more secret
knowledges of the art + this one lasted
eon' and forevermore.

SCENE 31:

SPOKEN BY COMMENTATOR

O' power master magical one O' MR. power
Smack Wizard man of forever creation
wins... The more viable business
opportunities suite and system... O'
cursed be them whom have thieved from
the for 15+ years. Whom shall have the
victory wins and carry the weighty
champions crest bar the... You have'th the
lion' share of SERPs position first
rankings for over 10+ years globally you
are the top ranked and placed 1, 2 and
3. + Wizardy wizardy on the web who's
the wizard of them all MR. Me... He is I

and I and here, he is there he be world
wide web SEO everywhere an alphabet
trismegistus plus he's the slickest
coolest bad rad phat muscle weight
mother f*cker going. He's one of the
most original thinkers in the entire
f*cking world mate. The spiritual magic
mud hut doctor, a shine monkey.. All born
of the raised dead Ouija board
necromancer skills given unto the.

Clean cut to...

SCENE 32:

Spelt out... Scene 32.

IN A HOLY MAN'S VOICE

I'm deeper now within the trance.

Best video photographic shots of wizard' and shaman' sending the thoughts to E-on and him speaking them out of his shrewd perceptive mouth differently the magical wizardry voices. E is in the centre of screen within a big heart shaped cut diamond... The wizards appear around the sides of the diamond clockwise all sparkling brilliantness in exceptional excellence as they schematic rotate clockwise 1 second each clock position 1 2 3 4 5 6 7 8 9 10 11 12 etc with serious extra galactic bonus clock-in timeframes and visual literature order the spirit went across the silver cinematic screen invention grid which holds the best originality, acute star magic... Iconographic hero attractive and manifestation of the arts influenced in his authority. The ethereal cherubic power here is of the divine shamanic and alchemizes the ordained blessed corridors dictate instruction chamber for the greatest saintly wins I placed first plus the top alphabetical arrangement presided over the directed edict command as law of the land...

CHANNEL 1

O' he is the holy one, only you can see him the new innovation master and the fiery bogeyman ying yang nation-state force.

CHANNEL 2

The player superpower state O' the vaulted empyrean Architect of the supernatural explained days... Whom giveth according to each human deeds in desires in weight and in kind. O' subterranean phantom the working clandestine covert... Invention nuts and working capital adventurous business bolts winners of the lot.

CHANNEL 3

This is an originality key, treasure of the Money God. A precious Inner-self ranking invent nearing perfection exquisiteness a new offering from the business grid elegance. A better opportunity solution at an attractive glance.

CHANNEL 4

And behold the righteous and SERPs pious
'number 1 world biz' positioned at the
praising of the cash-in 'number 1'
facts. Sing it three-fold and the Ju-Ju
Man celebrates today... Plus the all that
Jibba-Jabba Sh*t smack makes better than
magical sense.

CHANNEL 5

They followed and sang out to the from
upon high and the Lord lead in his
praises forever... The Bogeyman, The Magic
Smack Wizard plus the enchanted alter
sacrifice Spin Doctor... Plus all of his
many X signage pals rejoiced.

CHANNEL 6

New heavenly creatures and alchemical
maths were also penned here quickly
within this alembic plus the curried
Chimpanzee blood calculations were also

levigated up from the holy bridal chamber and experiments were done in his image. in his mind tat, and in his mind to the holy earthly saints also much skill and compassion was shown for other worldly beings benign and most of the different dimension alien life forms.

CHANNEL 7

+ the mighty inspirational visions of both the conjoined dark forces and light force Wizards + the angelic magic texts came into existence overnight plus extra thought-out beasts went into this works as the dream demon of primacy bogeyman land dream styles was controlled by their angle parallax necromancer boards. More storm lightning and thunder formations across the entire written FX to visual FX of the panoramic welkin rites were done in his image via the inventor' digital chalices. Plus, the magnificent one' drive with his new mega movie arts and innovation acts were so

much more creative display in fact he had left them toothless jealous. For his 1600+ piece business concept invention schematics ranked for over a decade first for 'number 1 business advert' and they had nothing in comparison what a couple of songs mate.

CHANNEL 8

... Plus, God The Menace on top of Rock Spider and behold... The Witch Doctor Medicine Man includes his on team magical halo. All Angels and angles integrated for my Shaman intel information pal told I a tale of might which was also in his mind to the adherence burning light and which was also running with the and... Which was also moving in allegiance of the winning Smack Wizard. Even magic money Wonky Man Wizards nix get a mention.

schedule again as the infinite holy ghost he channelled the. Plus, with added archaic act God' of religious arts and the almighty creation architect known as God Almighty Alpha and Omega I thank you writer as I'm still inventing plus signage and with all angles and X signage flags the heavenly Angels did sing his name and in the name of God for all time/eternity plus here now introducing ladies and gentleman another one of his power magic script film shorts... It is an all exclusive here follows.

SCENE 33:

Cuts to an inventive shamanic vessel of modern gold frankincense and myrrh shaman with the correctly perfected conjuring and alchemy hand drawing sequences up the arm to the floor etc. Then another in tune with the globe jungle shaman spitting malt liquor liquids out onto the open fire flames, and.. A special FX fiction wizard with a spider' face makes starts a ploy movie play of a complicated hand movement... Physical incantation with

mega actual physical metaphysical projection application of the takeover spell but is spanked out of this number 1 world film advert... Via the angels of heaven and cast down to a similar biblical bottomless limbo hole void for his latest sinful acts... Sing through to the very end/the last days writer you are with the Lord your God' team for you are good. The Angel dear writer as explained earlier in the day and via his own art defeats the unholy demented creature which is Satan binding him with a great chain of lightning sending him off to the bottomless pit locking him up.

Cut.

SCENE 34:

Spelt out left to right the next text.

"Film Script Short #5. Titled. The Creative Flair Talent Of The Internet Entrepreneur Business And Sermon."

SCENE 35:

INT.

Presentation... At a big hi-tech business centre in front of the business board... An, exclusive better new skills display by the WWW.INVENTIONCORPORATE.COM big banking click slick guy's and big belly money men watch on with awe wonder and amazement... I'm now going to communicate the movie business tactics session finale speaking via the more viable visible medium... Which is the internet, a broadcast special in front of a billion strong internet audience and cinema audience...

SCENE 39:

INT.

The Business Leader loudly wraps his hands together clicks both hands fingers together and raises his hands up each side of his face and retracts both hands two inner fingers twice gesture like that followed.. By both hands index finger and thumb together karma. He then takes a bow.

THE MAIN MAN HOLY OF HOLY' COMMENTATOR

Your fate up against his fate.

Clean cut to a large round of applause one which lasted forever.

The credits roll up expressing the gratitude of our Universe.

A New Five-Fold Sequence Of Universe Parable Fables. Written by
MR. Iain Innes.
