SCENE 1:

EXT.

Opens with a silver screen visual of the spoken word' thanks.

THE HOLY TRINITY

Heavenly fanfare elaborations resonate across the entire global business boardroom... Plus many future golden days are displayed via the phantom visitant in timelapse photography and his successful holy birthed rites... The new heavens created by the also alchemize into alignment. Expertly perfectly correctly timed with the complete range of all universal star suns planets and space dust all expansive legions representation Angels' points conjoin... All the in tune with it sweet global

earth big money jackpot machines
overflow with his company invention
blueprints scrolling up right and left
side of the screen with my semi-
transparent silver pulse of light coming
down over the entire centre of the
screen every 3 seconds. The new stacked
Intellectual Property chips... Favourited
to succeed, and... His very best available
next life scenario bigger better chips
and invention karma engine takes over
pro born again. Yes + signages and X
signages. Bravo to you, bravo and they
all love money. Of course, the divine
loaded cards and camera angle turns 360
degrees with silver lightning bolts with
the world earth in the top right of the
shot the background turns silver and
gold plus the extra all cool audio
clicking fingers noise is sounded..
Behold, the all-embracing comprehensive
established ubiquitous ever-present
rare always principal circle central dot
epic enchanted story tale stance centre
exhibition and... Write the 90-degree
level lines across the widespread

panorama incline angles... Now decree
magically cut it to a dark forces spider
face off wizard sitting on a throne with
a big enough demonstration of a
legendary sword exhibition please... Plus
innovation added are better extra
smashed alien exotic bones around his
shiny boots and of course the first star
shaped pyramid reascends to the earth
which raised up before time with a very
powerful execution type now red forked
lightning bolt system show. Plus, Merlin
the Saturnus and MR. Technical Smack
Wizard Dominus whom lived on a tree twig
in the earliest possible cosmos moment
for a split second... As it was made ample
sufficient efficient even by scientific
standards of scrutiny the making of the
ruling God big bang experiment
successfully expanded and say'th... Big
Cheese that's just what I thought. Plus,
the rule of the narration is spelt out
every time spoken in a disguised
computerized voice + key player meaning
special FX iconographic imagery and
original Angels magically please.

FABLED IAIN ON FILM TODAY/IS A HOT BIG ON TOP OF ROCK SPIDER

Yyyeeaaaahhhyes a menace. A new movie
juice by the virtuoso performer leaves
the other business today creative
alchemists left toothless, and feeling
really f*cking lucky incarnation and
direction legates the finest old hat
done it already ultra thrice fold made
it pundit un-creative team heralds the..
Facts and experiences all maven flair
luxury indulgent plus very essential
bonuses are included. Favourited wins,
executed lavish artistry, pro up to the
minute fashioned trends performing
leading and instinctive lines... O' the
muscle-bound money mad maestri yes today
say'th yes to my lip-smacking brain
storming 1600+ piece invention suite.
Superiority behold... Ace pre-eminence,
ace regulatory major master players even
get a mention well famous, big business
ambassador harbingers also add all head
genius' and the bright star listen in

ear-wiggers unto the alter before the.
Yes, and good and bad omens. Theirs are
looking weak and lost portents like a
vessel child's urine as... My inventive
dash writing blazing flame mission is
that of firebird waters... Note: Look big
laddie and don't sweat it sonny Jim
buddy boy I knew the manoeuvres mate and
dance moves and was very good excellent
at originality at the top on point
session before you were even managing
silly billy enfant terrible nappy's. You
f*cking what managing 'em alphabetical
doing them producing them. This display
is a high-ranking classic. This nifty
exceptional person my pretty cinematic
productive new all modernistic epic
works piece blockbuster viewer is worth
the f*cking banking cash then man. Now
triumphant feats counted in and foreign
blessing beads counting up you're truly
elegant a quick trendy chic part of the
business opportunities grids success. He
won't let you down. Great indications.

NARRATION

Observe ace writing once upon a written line. It's here for you all to see now for starters let's get 1 thing perfectly clear the... The other deity does not come in the name of correct morning sunshine and light. He buddy boy point point onto the chest... Comes in the name of eternal f*cking darkness and Satan has told me he doesn't give a f*ck where they got all that other one from but they're way off the chalk of the universe. Let it be known.

SCENE 2:

Visuals of Iain Innes' words.

EXT.

IAIN INNES

Intro. The adulterated treble XXXX rated film script on display today is going to be so tremendously great advantageous in my favour propitious such a wow factor aggressive literature piece plus treble well written big stakes with thy ghostly strength all world challengers and thieves were eventually flattened. It left all the audacious audiences so truly mesmerized gob smacked substantially wildly and his originators content was of pinnacle top materialize. As a matter of fact stories of the mayhem of its demonic night rights and eager waiting goblins, light lantern bogey's, God' Demon' and evils also all other evil chants echoed down the un-holy corridor. Add the alcheme victorious imperishable malignant most magnificent excellent nymph of creation, plus... The impressive champ was shouted about out loud rodomontade boasted every day for 200+ years... Then came into being a first new light era cockcrow then nightfall also the bickering fires of ?ell were in the end left smouldering pal and the

demented Satan was left made quiet
noiseless and pro silent.

SCENE 3:

INT.

Opens with a strike magic wizard shaman in an unfathomable and
immeasurable trance of power.

Follows the visuals of God's words spoken aloft with a beating
blessed cooked monkey heart on the official alter this time for
this is an arts piece which stands the test of time.

EXT.

GOD

The most powerful shaman is a demi-God
like the '____' in My Mega Witch Doctor
Spooky Breakers Movie which you are
beeping at seeing in the country side

and baron lands and the rich cities all around you today across the lands. But he is a beautiful male wearing a hundred plus schematic highly polished digital portfolio boots in natural light mode controlled by the system wrist piece. This f*cking footwear concept Protected Invention Intellectual Property of 'My Portfolio' houses a 1000+ pairs in one go schematic here's Jonny Show... Plus can also have the top screens folded down/and detached to reveal the paid for brands hundred plus pairs each and can fit over any f*cking shoe... Display them E now in this movie film one' that are rendered with a sweet as transition fade and bounce into the next pair of my most favourite pair of course in white. Plus... The new Demi-God is wearing tight jeans and a snappy trendy leather bomber jacket and a semi-transparent plastic vest with attire red hearts as well all over the garment in fact. He is an absolute f*cking hooligan thug pal a brutal f*cking killer psychopath. He is the marksman projection of the death

list honour thy Angel magic gangster
film project script this is called
Titled. The Obliteration List. Titled
'Movie' Where all against him is to be
annihilated the repercussions were
actually already done finito indeed and
he lasted out the infinity because he is
righteous. Again hahahahaheh... They
cackled with the dead and stolen ritual
spoils of the very horned indeed frantic
maniac one that trolls through the night
and still innovation upon a time... Plus
even before I and I has awakened in
morning the quick-thinking magical smack
wizard Jiain whom have'th great shamanic
depth who writes lightning movie
literature quick lines is mighty in the
truth. Plus, red alert innovation of the
just. The virtuous penned word good all
righteous and yin yang technique plus
pact style combats the whopper vibes
and... Via battle magic the semi-invisible
handsome enough looking Devil b/pig
fairy the leary little Sally and his
completely nude black winged wicked
bitch division witch torments them with

fake illness, barefaced porkies... I leave him yet again in anguish with the first foot on the ground earth wobbling him over the pub tables already he sung.. Then acted it out as the ¼ ton ranking innovation original harder and turbos the... Arm muscle strong so moreish invention magical Smack Wizard yes, I sang the Lord's praises forevermore... With all the other Angels and remainder Demon chronicles. For Jesus Christ's sake. Plus, the long dead under the ground celebrated.

SCENE 4:

NARRATION

The new Demi God walks out he magic-ked out through the gates of Zion, and.. All this is arriving sometime soon.

My God he's ticking off a death list
man.

SCENE 5:

Visuals of the words.

EXT.

LAWMAN OF THE GHOST 2

As I have been explaining before hit
number 4 and 5. One of his gang bosses,
God's gang bosses dealt with it this
way. Talking about hands from above
vibes and in a very best available
upgraded film sinister style... He sliced
the school bullies hands off for him
definitely no probs some donkeys years
ago, funny fella/y' he had that man's
hands little wee cut sliced off. He sir
bled to his death and bo! He died a

sh*tty little death writer. Dead in a
dustbin bag under the rubbish landfill
tip. Write/right on down south near
where your best rave music ever was. Of
course, beep D#n blanked out see. So bad
is this bad man cool cat and yes, he
always has been miss do not believe
everything you read you dumb little same
neighbourhood weak sp*stics plus beeped
out bits and the film arts thou again
and... New applause and a big thank you.
We done him in for ya and we had him
broke his backside/for the many times
the enemy vibes cheeky chatted the big
lips/porky pies Jonny Show. We
completely punked them all back nasty
and not even with spat up into his bottom
but like the other laid out unfortunate
under tarmac hit write spit into his ass
for... His representation team the very
naughty rhyming engine public house fame
pals. He dear squirrel and dear sergeant
bled his sissy lot lost it. Totally
covered in blood. Bleeding in oil... Plus
you don't get a f*cking mention now you
old c*nt. He Dear reader of exquisite

film literature is looking for his rotter hands amongst the rest of rotten garbage rubbish garbage Sally face. Put this bit in your film as well a mate a but me saying it... What mate, that's malice mate you little kebab house bastard. That bit is in it now. Thus this part of the film pulverises the enemies throat. Plus a money one back to them in thought because I know you love money... Equals a very lovely big maths symbol so quick-on-the-up-take is this lightning bolt driven stanley blade drive across the neck a written fabrication today thanks and at tomorrows venue she has a scaffolding pole crashing through her skull and shaking willy nilly as she is the nasty c*nt whom cannot read right and plus wow famous. Plus, look, hey! Your other big beef man of junky head farts fame family makes an appearance slag boy, his mate... Has been read and already been done laid out in a phat new puddle of knife to belly many times plasma near/down the road from big Luey Sl*cker R*nkings

doorstep. You see, you see what you get
when you mess with the real s*rcerers.
You find that out you get f*ckin' repped
mon!

Cut.

SCENE 6:

NARRATION

Let's go now just visualise thy words in
this whole scene.

INT.

IAIN INNES

Introducing mega song verse and movie
scene 1 and 2... In a yin yang style evil
muddy hole well gruesome graphic. The
new updated movie e special written

edition. Portfolio Song #141/123 S...
A.K.A. Movie script concept 14. Titled.
Hell Hole, the deluxe written Hell hole
entry!

SCENE 7:

A graphic description of all the song audio thanks.

1ST FILM/SUB SCENE 1. VERSE 1.

Effective fruitfully successfully only prolonging the
inevitable he'll be like going down as saintly certainly
already... Productively a little balance text film art snack and
musical slice is needed good God don't do it fly boy. Do it
write to the spectators target the audience with the extra x
added mark up onto our halo lord tinsels and for you reader dear
golden eared listener an excellent tuned organ is needed the
movie experience follows... Splendid in a subjected heavy mega
awesome silver all weighted tongue sing the dialect world has
many bloody hell holes Mr. Innes the one to write about now
today within the song alembic flick number takes stage action
controlled and power position in a medium sized room with a

dirty muddy floor at an unknown tasty read foreign land location... As you know you can even teleport it in the intellectual mental cerebral anywhere write it the way ya saw it logical shamanic a day ago as you saw it and half an hour previously or so... Room. Muddy floor. Bloody 25 cm converted transformed 50 cm half metre wide bloody hole. Near the doorway yes... That invention near the entrance evil trench adjacent to the Hell drain indeed let's write a disguise guise facade near portico a one-armed bandit across the other side near the corner and... It's hit the luxury exclusive heights jackpot of forbearances again the written tolerance art rites performing one armed bandit fruity machine that has the very execution written accomplishment best diamond dust conquest confetti tinsel shaking so excited thrilled shimmering steam coming up through the chance of a hit the jackpot really extremely extravagant superb overgenerous golden lustrous cash magical coins are flowing out of it.

SCENE 8:

1ST FILM/SUB SCENE 2. CHORUS.

With jumping sally sows and the written monkey sacrifice and put a snake in your foot you f*ckin' Sall-a, plus I'm pretty

confident... This Hell hole can change yin yang weight also vibes glow feelings and it's now 1 metre yes 100 cm across and has moved position in the room and that expansion angle other bit bleeped out properly no danger avoid it void mortal sub-creature... Of course, there is something moving around flesh down there very risky hazardous limbs and foe limbs forgotten scarily bones teeth and all in the Hell hole including awful so appalling and very dirty terrible germs... Bigger and added bigger ones are further lower down there, is, something else far more polished gross very wrong with that f*cking hole and pestilential experimental mishaps and yin evil mistrials things that can only dwell in this dissolute???? F*cking space ship land world portal to Hell place... The Hell hole song movie tune it is... A phat tune scary limbo track about a two hundred minus a mile or two deeper still watery bloody evil wet grave gap hellish gorge. Written within a better skilful than bigger better than mega specialized written original head leading visible corridor hearty room. + that's quite remarkable and mazy. This is just a little movie concept type script to be sung. This front door song is the Hell hole font that can teleport I can teleport it in front of you in dreaming plus just before sleep, I... can teleport it anywhere on the earth. Now brightly awake come look swish see the Hell hole septic tank of sceptic evil sluice the dead cynic slags rot within the slop of it. Powerfully it's sickening disgusting labyrinthine horror strips other passage rites written by the others and the Hell hole in this is wicked

sh*tty snake-y assured poised in twisted spot venom poison line
vibe arts is it, it is made up of doom... Brought forth by the
bleeding all sinful master's hapless hearts and deeper inside
the math it easily truly masturbates onto its bleeped out sp/t/c
case horrid nasty evilest slitted cold tap wrists and hot boils
the brainy wits for now for that is the Hell hole, a portal of
Hell! Movie idea concept film script 14 song #141... And any
f*cker can get chucked into it as well.

SCENE 9:

1ST FILM/SUB SCENE 3. VERSE 2.

Conclusion sing cantos the finale verse lines... The world has
many Hell holes Mr. Innes but this one's writer is one of the
Christian Faith and balancing matching harmonising a yin yang
skilfully practised. Now the final scene really zooms out and
up past the satellites earth orbiting ones that are watched
through... The concluded money one, and... That method eradication
one... I know that wins at audio edition and quick secret visual
'1213' invent mentioned bleeped out of the invention portfolio
works creation that is good holy consecrated and pro wholesome
and arts thou. Say aye! Now global party team hey what the f*ck
you in tune with. Tuning at me wrong what the f*ck are ya beeping

at c*nt... The dark forces do not even want to go to through dance
'bout that f*cking hole Iain I.E. The white Caucasian foreigner'
tale of our Hell hole was well explained today vision slanted
buy the yes I and I that was an awesomely unfortunate fella
writing that pig of a phat tune that blimped start to finish
and finishes with all the nice things in life, lots... Of good
health, antiquities riches and friendships nice e electronic
cherries on top of it too. Plus... O' put in a quick base metal
into gold that arts and not by art that you like asked in it to
please pact. Voila. Then finally the blessed virtuous saintly
viable business wins came marching true. Mission complete and
fiction.

Yes, keep going helmet...

SCENE 10:

INT.

IAIN INNES

Movie introducing another song number
from the original company lyrics

invention track #161 titled.. Tarmac. A
film script musical invention Known as
tarmac. Here the fictional muscle hard
men are dumped into fiction bin bags
bud.

SCENE 11:

Thanks a lot. A graphic description of all the song audio thanks.

2ND FILM/SUB SCENE 1. VERSE 1.

Cut throat and watch me click another song out of the chamber..
Oit! You cheeky little vibe - signage sally/s... Like aye! Does
it look and sound like this big bad man bad bitch is f*cking
around now... This is film script 14+ song 161 plus it is titled
and done real good in new tarmac book #title 71+ number. Well
let's get it f*cking started then shall we... Right let's get one
thing perfectly clear alright you ugly c*nts... In this f*cking
big raver bruv mon movie dirty newer tactic fanatic tactics
mother f*ckers are picking their little fiction fx knee fracas
caps off the f*cking wee little asphalt mate in a double shot.
New extra rad excellent Iain, yeah man! There's the f*cking cash

then man alignment schematics primacy yes brother' and sister'
fair enough this is... In part a really good cinematic time buddy.
Good on ya... So stop f*cking around now son check out this
clicking... Rap film it's the vault welkin. Every bovver f*cker
vibe warring fight battle click brother' at war with the
smartest technique dirty brother action have already been
picking bits of their funeral mates knee caps off this classic
tarmac gang music clique film portfolio bud-a boy. Written are
some firm prototypical authoritative classified censored
paradigm trouble it no mention now f*cking beeped out lines of
deleted nullified world global all country creed gang bosses
and some big math calculates... This is the new cash text that
looks and sounds good in my film. Plus, enchanted horned sexy
pixies... Plus extra classic pogo rocking merlin gorgon universal
bogey babylon powers plus beyond the O' magical one' oblivion
eyes... + I and I' representing God and Devil teams. This is also
a yin yang team film. This power holy and Demon magic style
Angel magic style film set movie team song team text alphabet
combo... Has global all big wet repping wet sexed tight line
v*ginas slipped in tight done well nice pleasing friction well
pixelated graphics and cheeky not know the crack enough brainy
head brains cooked in pans of hot curry powder millet water in
a favourited top decade position riddim professional. Oi, a
quick chip pan fire rapped out, a crack pipe rapped out a quick
beheaded rapped out gun shot in the air bad rocking radical bang
salute new written wads... This little film script song extra

secret is revealed unto the, easily triple... Teeming with E's fortunate life plasma pump out plus added 18+ bouncing tits bounce with excitement. An apex more viable written monkey song heart is on the legal alter skilled smack out sacrifice and f*ck dat and rave 'em a back\slash ride them some more evil yin free karma right hand man whip sins... I am the bad man film invention tune creator the f*cking innovation formulation show the gold cup ranking sound boy p-big boy repping smash in the arena... This is the best gangster rap tune and dig it hit and within these better than precious lines are you f*cking clicking crazy where's my f*cking banking up cash man and... Add yes man this math calculated big tune selector champion gorgon arena brother is so creative... Plus has a f*cking what chic on paper "1600+" biz invents opportunities grid blueprints worth of words in an originality clicking innovation and moreish clicking finger vibes snap zone and all herein is truly triple weight... Ranking ton and easily ranking cool, worldly suave plus wicked in jump up musical magic talent. This top bro position song here this score we sing together forever via the better than large Heaven step where graphic fx and exact frequency hardcore scores more of better weighty wins and beyond behold... The sexed up squeezing wasted jinxed bitches. The coming true/through tune singing tale song went forth again through the movie light empyrean with a morning sunrise but a morning sun sunrise of every heavenly heavy sun star sun star in the cosmos universe sunrise onto mine I an' I/Iain Innes raise and halo which also is a blow fairy

one and asterisk symbol curried of course hot and hi... What would you like from me today Angel magic or Demon magic... Rocket! Plus merl... Dominus with the musical tune rich vibes man is in this movie tune. This is a good weight movie action plus he must action say... Got to give you a magic slap welkin graphics slapper the coming true big frequency graphics... This is a very big sh*tty bum diamonds song it's coming on the back of the alchemy word to run you right outer town ride you and mow you down off the road... Its already rolled up done in murderers and rapists fiction world in home lands buried yes made into dirty movie asphalt fiction tactic so visible and so fashionable. Innovate E give 'em a f*cking ranking Daddyo chorus score spanking of a song...

SCENE 12:

2ND FILM/SUB SCENE 2. CHORUS.

Plus hear this... Write them some more flack... Do them another pro aggro Iain... And yes man dig this the reply said unto the, for the fly boy clicks and the fly boy dances it all goes pop pop pop pop pop pop already f*cking loads of times 'fiction' the continued first rated action of the chorus act that smart arts thou... Plus if the real time leaking fitted up gas system action

and guy bloke man sent by the most famous evil one with the little pointed Satan worshipping disguise style beard/lovely felly = slang fella if he can't do me in kill me son then know this... No mouthy little sh*t or other muscle lippy c*nt is going to be able to do me in either be that head farts or otherwise mate. Yes, Iain man, plus in this newer chorus version and ting the other big brat kid does not even need to get a clicking mention son. Plus, this is the tarmac film. Plus tell them skilled fabled Iain on film the killer the written lines from the Christmas day Demon birthday date cat sh*t spider cook up curry pact'd skills and... The exact form and method horned thing and times 3 nude pixelated demi-God Angel nymphs brandishing the repping gong sound in a top left to bottom right in a 10 x 10 grid reference movie special graphics fx/audio studio alignment... Yo look in this in this tuning bit part of that yang arts chorus rhyme the R.G.B.Y. Sanctified musical invention curtains just got to open up one after the other successfully... O' exalted one and this here is one of my favourite back to basics earth planet passage laws from the biblical book of blessed men and Angels thou shall not take the name of The Lord thy God in vain because Iain he is coming as promised all the Heavens chanted and sing... Even Better holy trumpets resonate today/forever his accurate words... All the Heavens chanted and say'th today all the universal star vault representations blessed Angels and blessed men sang tomorrow in imminent victories plus forever extra calculated pro arts by my

alchemical math new greatest creative secrets of the art revealed unto the prophet... Born via the all-merciful maker' mega moreish viable penned Angel magic and Demon magical pen. Yet the chorus must finish with a snake neck slit twisted onto of course the legal alter... This is the musical news, this is the music film, this fate hand is truly the welkin manifestation of creation plus it is a positive tarmac everything nice sweet everyone smiling and mother f*cking raving mate.

SCENE 13:

2ND FILM/SUB SCENE 3. VERSE 2.

Banking + O' arts thou, and... Andale. Song buck' aye ah yeah sound boy these are bags of innovation they are bags of death plus this is sweet mate and is easily... My little musical gun son magical this is not a f*cking weakling song come on... This is the jump up film that dumps mine enemies and your enemies under the tarmac nice and neatly under the road in trash bags with dark man spit in their ass's mate. The new musical movie presentation notes. This is tarmac... This is a gangster song tarmac. I've got another tarmac tune for you it is a new tarmac song invention and film movie... It is also housed bound within Mr. E's talented book 71 futuristic. Dear excellent viewer apple

of eye planet + eye of the beholder invention... Al singing behold
Iain tell them a song upon a time-tale movie line that'll breathe
life into their expansion visual loving wings and will last
forevermore well beyond all zion sound zest ziff antiphon zone
periodic atomic sentences plus... Straight to the big leaders and
leading head vibes this is an ace mega film so new and so bold
a song written so right. This bright tight track is via the
magic of a well-timed era and is shining primo optimistic plus
such an all dat tap techno jazz waltz melodic and rock concerto
bit written alphabetic film biz arts international anthem
favourited and classical big text. The big sexed old skool raver
is burning rubber on the freeway motorway born up movie singing
song sound man weight ton measure amount this is such a mega
money ton quota... Plus the extra very best available money
alignment song suite balanced universal tone movie is the
universal language tuned instrument and... Schematics person
creative b-right-on song invention. Iain do write line rap 'em
an ace hand continued rave techno boss score tonight! And do
'em a song so sweet new unique that they will never forget it
and always remember. Plus, do you remember the good old days
Johnny show well do you? When slag bikers were dumped under slag
tarmac into little done in bits of worthless sh*t with their
blimping cool enough asses completely busted out mate then the
art was all cleaned up no trace murdered they were cut up into
little man slag pieces of sh*t and nearly completely forgotten
about into bin bag tales they again went today... Black again

written fiction that arts thou you've got to like this invention movie song and... If you do not who gives a sh*t! If any silly billy shit-a Sally thinks it's radio friendly or not down at the big enough talent disco city dance spot jot... That's f*cking hardcore you c*nt. This is also known as a song for book 71. Fabled Iain on film/here's Johnny show... Give 'em a f*cking chorus...

SCENE 14:

2ND FILM/SUB SCENE 4. CHORUS.

Plus hear this... Write them some more flack... Do them another pro aggro Iain... And yes man dig this the reply said unto the, for the fly boy clicks and the fly boy dances it all goes pop pop pop pop pop already f*cking loads of times 'fiction' the continued first rated action of the chorus act that smart arts thou... Plus if the real time leaking fitted up gas system action and guy bloke man sent by the most famous evil one with the little pointed Satan worshipping disguise style beard/lovely felly = slang fella if he can't do me in kill me son then know this... No mouthy little sh*t or other muscle lippy c*nt is going to be able to do me in either be that head farts or otherwise mate. Yes, Iain man, plus in this newer chorus version and ting

the other big brat kid does not even need to get a clicking mention son. Plus, this is the tarmac film. Plus tell them skilled fabled Iain on film the killer the written lines from the Christmas day Demon birthday date cat sh*t spider cook up curry pact'd skills and... The exact form and method horned thing and times 3 nude pixelated demi-God Angel nymphs brandishing the repping gong sound in a top left to bottom right in a 10 x 10 grid reference movie special graphics fx/audio studio alignment... Yo look in this in this tuning bit part of that yang arts chorus rhyme the R.G.B.Y. Sanctified musical invention curtains just got to open up one after the other successfully... O' exalted one and this here is one of my favourite back to basics earth planet passage laws from the biblical book of blessed men and Angels thou shall not take the name of The Lord thy God in vain because Iain he is coming as promised all the Heavens chanted and sing... Even Better holy trumpets resonate today/forever his accurate words... All the Heavens chanted and say'th today all the universal star vault representations blessed Angels and blessed men sang tomorrow in imminent victories plus forever extra calculated pro arts by my alchemical math new greatest creative secrets of the art revealed unto the prophet... Born via the all-merciful maker' mega moreish viable penned Angel magic and Demon magical pen. Yet the chorus must finish with a snake neck slit twisted onto of course the legal alter... This is the musical news, this is the music film, this fate hand is truly the welkin manifestation of

creation plus it is a positive tarmac everything nice sweet everyone smiling and mother f*cking raving mate.

SCENE 15:

2ND FILM/SUB SCENE 5. VERSE 3.

Buster! With arm movement that was their funny vibes slit neck. Ranking and f*cking... Andale and f*cking oi, oit! It's so alright fab late in the day cockle bob-bit nut. Plus, look come see... Plus rap them a power song chant swag to rap at back. O' demented Satan... Oi. Plus are you f*cking kidding me pal, and... This please and thank you good manners is to be played by all the blimp-ing muscle men best and true new expensive rapping players loud. This is well computerized and the world computerized song volume bump up sound boy king of the techno dance event jump up fly in the manor arena is highpowered, positive and well easily over ruling... Yeah ranking! A power yin and yang innovated play like know other coin ever before him... E. That's the f*cking one boy the epicentre of love your merciful big bang finale invention creator song master system method movie style... Plus have another banking circle with a dotter in the middle symbol flag x signage + signage cash and coinages @ my new ranking invent. This isn't namby-pamby man mate he's not f*cking around now flim flam boy

he's already had 6+ people clicked in their f*cking faces fiction already. Plus, tight ranking clown kid this is a movie tune a smiling ton of happy ever after happenings. Then lightning strike visuals reveal unto the his art and big vibe thunder claps followed in correct and true new sequence rhythms. The clock struck 1 am the Devil and his witch was in tune with it and defeated again. Plus all world main lane whores and back ally wenches who act through the night were defeated. The world is so crooked Iain it doesn't matter what you write and this is a fiction movie fiction song and blessing. Let's f*cking go now, listen... To the pro lion bass roaring through the rave speaker box mate, you know the score funkier foot tap homeboys and positioned side peaked caps. Plus big respect and love is needed in this bit good bit this arts holy bit + sing them O' behold all meek and decent ones and sing to the, minus the all wicked that swim in illuminated blackness winning plans of the nearly all powerful darkness defeated in the entirety coming era days of the O' Heavens reborn on earth saga... Plus! The proxy wise mad man kills it here and kills alter chimps not even for penny quid pay hat songs, plus... Powers up and moves on in life professionally finishing the movie art marrying it with a very large snappy swish other worldly evil oscillate vice charm extra unknown dimension in fact the hairy dirty nailed hand arrives out from within the phantasm cot of death, caresses its two clicking fingers in the final friction act also wheels and deals out... A very sharp all musical nice neck stanley smiley/better

angle monkey sacrifice to female bum slap and power button mate
in the same arm action. So, f*cking cheer up what's the matter
with ya pal and it was the tarmac film new lines upon a rhyme
and... What are you still f* beeping at sally you cheeky little
Devil plus I won't tell you again now you little c*nt.

Cut that's a rap.

SCENE 16:

EXT. AND INT.

There was then the visuals of more extensive and countless
magical hits things breaking arms and legs snapping with magic
on a 10 x 10 grid top left to bottom right sequence please.
Followed by a 3 second silver screen followed by the picture in
the supernatural book of a dead skeleton raised from z/the
coffin box.

A VOICE WHO OBVIOUSLY KNOWS THE CRACK FROM ADAM/HE KNOWS THE

F*CKING SCORE PAL

Remember someone weren't telling him verbally to write this folks... Come on Iain tell them if we can easily Ouija Board the dead alive... We can Ouija Board people dead. Plus, raise write show them an exactly like the picture in the supernatural book.

IAIN INNES

As the man explained above.

SCENE 17:

NARRATOR

Go writer, bring out the giant pickling vats pal crack open the finest vinegar tanks where they shall end up for an eternity in limbo via the main vortex camp waiting for the later day session or upgrade it innovate them... To a

nothing void of energy existence
negative nor positive. There is no Hell
like the one I can dish out in these
movies... Wheel and deal writer wheel and
deal. These are truly testing times and
very interesting days we're living.

SCENE 18:

NARRATION

Plus shut up you little clown... Hair/of
the head pulled back neck f*cking
stanley mate! Hahaha ha ha. Ah you
f*cking pig brother. Plus, now one of
the blackest good for zen fella' on
earth says.

And note this black fella had skin likened to that of the purest
black obsidian stone and eyes that bear a resemblance to the
blackest onyx...

BLACKEST FELLA/ALSO BOGEYMAN

Please f*cking say it MR. Say... The fated land still continues to h*nkey bleeped out rude dude word clicking bleed E/Iain. The gifted land will bleed then like the enemy's hapless unlucky heart. Plus... I'm having a ten hottest plus biggest cook-up of spider' innovation for lunch as well like the muscle man biker in your other film but I'm going to eat all of the heads down... Before some other bad-der fellas than even I tries to steal this talented palomino line of spide' off of my excellent rapping loving love lips mate. Quick finish my hungry teeth have eaten them all. F*ck ya then you must be awfully powerful in the wizard sir.

SCENE 19:

Dear reader, eye of the beholder visuals of the narration thanks again then. Well get to it.

NARRATION

Now the following visual shows us a locked room with a bare ceiling light this room contains many driven mad meat blow flies and the Ouija Boarded alive carcass enemy of the writer is truly filled with maggots and appalling amounts of unpleasant pus. The corpse cadaver the little pervert is walking around on stumps laughing and whingeing whilst a happy whistling tune is played on an elevated stereo speaker, and... What are you laughing at you little f*cking m*ppet/beeped out.

SCENE 20:

Now an interlude for a business advertisement from our sponsors... Red blue green yellow gold silver and gold curtains open in sequence revealing the business commercial on top of a pre-

eminent plinth alter podium, plus... A top selection from the
global lion' share decade

positioned ranking business portfolio/1600+ invention
blueprint schematic highlights scroll from right to left around
its base = "NUMBER 1 BUSINESS ADVERT."

SCENE 21:

EXT.

The following speech visualised also.

IAIN INNES

Back to our food. That is just wonderful
splendid everyone's restaurant
favourites fell from the sky into their
designated sector. A very appetising and
delicious selection Iain a very tall
tale today.

SCENE 22:

Lots of new baby tarantula spiders over flow from its flash expensive silver rimed and flush video camera all in one eating and drinking global location led screen network digital interactive glass chalice grail... Followed by a shocking big black spider dark light night scare crawling over a fruit bowl, bunch of purple grapes please with red forks of lightning strikes and rumbles of force rumour and bad vibes muttering and distant thunder with a humanoid format shaped spider wizard in the bottom left of the shot scene.

SCENE 23:

EXT.

Visuals of what all 3 shamans say and know.

SHAMANIC 1

O' food and erm... I like these vaulted fiction movie creative rites to contain a holy lofted and biggest poisonous

beetles' nest on top of the spider' nest
and leaves keep the hits coming
vjibbavjibvj*bbavajab blanked out with
a symbol asterisk kid. Okay you've asked
for it kiddo. Followed up with... A very
haunted nasty black magic fly and wasp'
nest.

Spelt out on main blue onto this exotic silver screen... 'A very
haunted black magic fly and wasp' nest.' Sun sets and sun rises
in timelapse photography to reveal the haunted nest vanished
and gone. Perhaps it was the leaking gas system mate as displayed
bound within the other IP film script.

SCENE 24:

IAIN INNES

Thanks a lot, plus this is also a good
bit that'll give me big f*cks of foreign
land rich she bitch wet witch wenchies

with big hair do' I'mmm up their f*cking
asses all night... C*nts.

Plus, the above was effortlessly wow pixelated or not wow
pixelated also showed the birds friends with angle slick haircut
styles their hair slicked back because they are very triple cool
sunny shine industry some with sunglasses on and all wearing new
white trainers and getting very wet excited precise...

SCENE 25:

EXT.

Follows narrations visuals.

NARRATION

Plus, the very best graphics special fx
available for the four aces chaos
citadel text prose hand arts piece bit
typing... The directed bedlam of the
right-hand man conjuration keys brought

the magic peril horror to a most fitting
end and this new precipice chasm
levitated.. The eventual doom and its
magic attire existed from the beginning
of documented time. Plus, my better
exclusive wild card winning style
entertainment-built fix allowed the
all-inclusive movie tough nut ruffians
herein a sure resolute violent fix today
including but not limited to the
lobbying of bricks onto the damned heads
of the fracas flack subterranean sub
creatures at the exact bottom ledge of
the bottomless slippery zombie infested
slime pit abyss this is the finale
fracas scene pal... Ssssome of the dead
were also hung out to dry onto a key
devil rack.

SCENE 26:

Crucial visual description of Iain Innes' words. O' these are
much inventions of worth and professional thanks.

IAIN INNES/FABLED IAIN ON FILM

Then there was a terrible attack bomb
blast for the, and... This story fairy on
top of the celebration holy
representation tree' eyes glowed a vital
deep lingo patois text tongue fabled
Demon spawn red with striking rich rare
sanguine blue plasma bolt lightning
across the total surface area earth with
fantastic maths. The wide-ranging all-
embracing holy son of God Jesus Christ
'my friend' bashes another movie lippy
c* on the nose with his expensive not
poor gold ring... In self-defence. Look...
Shooter time... Plus the original gangster
used to shoot dead hard biker bod motor
bikers. He had enough muscle. This time
he shot a biker club geezers knee caps
off who had a beef with this magical
smack and the incantation, plus the
lippy greasy perv had a hair do like
that very cool rock star fella from the
early eighties with a sensitive double

sawn off... He did not f*cking shoot both his legs off at exactly same time in this version film discretion new flicker formatted golden arts flounce of the silver screen boss score bob obeisance... As within his gifted new glamour pavilion creative dash heights the second leg was done shot off after he had crashed to the ground hard 'fiction' flick. + I bless ya again this Christmas in elegance. Well scan tons of bikers had a haircut like that. Makes no difference to me does it pal.

SCENE 27:

INT.

IAIN INNES THE GOD SHAMAN WIZARD VOICE OVER

Look ginger big cunt-er... Victory for me then you see emphasis plus added tonight my human foci of fair skin and bone an Angel faced creative one of the best

available Bogeyman on team has the edge on you. Yyyeesssss he does. He is just expressing his influenced skills of thy great holy superior surpassing creation power... With an extra updated 1600+ invention concepts including the cold all germ cleansing audio frequency = 1.*****Htz invent #1213 they told him do you want to enter our competition with it and how would you overcome shadowing... All this display exhibition ground on the back of the 'ALCHEMY' word. Hardly shallow then is it. Look pal you have been nearly completely obliterated done in outclassed and it's nearly all over the end of the film.. Plus he looks as good as your nice top people who have the f*cking cash man with basically just a bar of soap mate.

SCENE 28:

EXT.

Displaying even deeper psyche via his technological trance in 'the' cavernous e-jungle ancient location network and at the top of a pact-ed temple grid we rewind the visual/graphics a very special fx graphics back to Demon' building the temple via forced labour/alien visitation/s and the whole wham bam thank you mam Angel magic saga in a flick book format/timelapse photography which lasts but one minute. The scene then fast forwards to this again tale to the top of the temple shot where the heavy blocky dark priest white in colour complexion with straw and pure golden cuffed wrist garbs, a purple cape which have'th a circle and epicentre dot. A mysterious clicking noise is heard from the jungle. The priest/wizard is also wearing a magical design digital in nature dragon image mask story invention of his business portfolio it has memory bank of many more imagery okay hah. As he wished the giant benign Demon through/true imaginative action-packed days from the smack wizard vortex he whom loves dealing out godlike invents to the public and policy older God' this is a human and written monkey sacrifice producing a managed vessel sun that shines the critical light... With countless wailing banshee wind noises through the trees tops fx specials. Add further pro political allegiances are noteworthy advance. Plus, extra evolved invisible knowledges of the alchemical mass thanks this is the movie arts.

SCENE 29:

A BIG AND HAIRY ENOUGH/TOUGH NUT BIKER OF THE HOOLIGAN CLIQUE

F*cking ah yeah, and this number is another f*cking good bit a close to finale ride..

IAIN INNES

And that's f*cking right mate now it's his scene 29 bump and.. All you little cinematic sh*ts and dirty old men enjoy the sexy movie juice scene for this is the sex bit it is leading up to the final scene the wipe out rad and gnarly ride. Plus, what is an excellent film without some big wet dancing titties in it being well excellent nice. Here have some.. Lots of `em.

Wow many night club birds with very large pretty chests big breasts are stripped bare and dancing nude at a big enough venue in town party foam party event see every female the whole dance club tour in 1 whole minute it lasts, some even have their knickers off mate with what zoom in shots and spreading. Hahahheheheh.

And...

SCENE 30:

NARRATION

Yeeeaahhhyes have some of that. The ultra-gangster motor-biker finale scene is here listen-up. Plus, an important note from the writer clique.. He is completely neutral okay he's in it for the thrills, and the coins and only the best babes can suck on get his d*ck hard, plus.. You don't even need to get a mention you cheeky Sally or do your cheeky mates business newspapers. A cut.

VISUALS OF LORD GOD ALMIGHTY NARRATING SPEAKING ON FILM FOR

THIS IS THE HOT FLICKER NEW FINALE SCENE INVENTION

Right, you many little bad mother
f*ckers and bad little leary slappers!
The motor-biker gun shootout takes
place. The coolest and harder ranking
biker club geezers pulled up at the
enemy's spot they shot dead the big
biker mother f*cker club geezer for
thieving da contending clubs cash power
heavyweight score of cocaine crack. The
rude boy/big bad man murderer tore off
around the corner on his mighty hog..
There was a chase across ½ the city
metropolis after the other formidable
club' mates fired up their colossal
weight massive power engines. One point
of the chase between these hated rivals
at gunpoint one point and 1 0' clock 6
0' clock the enemy the bad boy bro vested
mother f*cker' turned around the corner
in force there was a nasty enough
f*cking gunfight Iain as usual many by

standers got caught up in the aggressive gun fire. The bros bikers of latter days creed colour and wheels race off with their contested friends riding belting each other with chains, bats and with shooters clapping into the distance one of the best coolest looking biker mother f*cker' you've ever seen was dressed in a heavily studded leather uniform with his white crash helmet having golden flames imagery and aviator sunglasses. The slick badman biker bod bro' and the rival club's pals caught up with the original murderer drug deal alignment on the night freeway now and blasted him. Then write every one dispersed E/Iain. His lot took revenge like they will always do and shot dead another one of the enemies opposing big biker club mother f*cker's dead later the next day in the afternoon. Yeah, you know the f*cking score pal. That's a f*cking gangster movie end... Biker' getting blown away baby.

SCENE 31:

IAIN INNES

That was the invention really hot new film titled. Movie A.K.A... The Obliteration List. Now stop all these f*cking tears fella you... Big dirty cut up c*nt pussy big time 'character' pal. Plus, as far as I care with this extra bit new film news... The person/who is nothing but a cheeky little silly billy sow rapping off can head straight to a f*cking limbo as far as I give a sh*t with all her mates with a neck stanley ha ha ha ha and 'erm.

NARRATION

The end has now come. Just in time released for Christmas prezzies and best celebrations. Internet. Cinema, I've spoiled you again with this alphabetic script A to Z magical literature

configurational piece of pie... It will
make you rich with the power play
business deal portfolio powerhouse suite
of the leader' opportunities IP bank.
Come on... Christmas must still be a big
enough market for ya.

SCENE 32:

QUOTE FROM ANOTHER SATISFIED CUSTOMER

The free downloads this year were
phenomenal writer I take my hat off to
you. At least you weren't out there..
F*cking grabbing brother like a money
mad little man slapper mate.

+ NEW BONUS SCENE 33:

The visuals and narration = with the great and holy knowledge
graphics attire garb thanks and the entire scope of the sphere
earths secrets more mysterious creative sacred and pure red

lightning bolts appeared across the surface of the deep... With the best permissible sacrificial alter covered alignment of permitted purple in colour better than expensive cloth moves downwards into position and at triple powers light speed... Might I add over the entire welkin panorama... A massive expanse pure silver 12-point star-based pyramid appears from further above which also moves down into place under foot of 12 legions of Angels. This legitimate licit f*cking alter makes a loud crack noise of smack wizard and a flash of main blue light colour appears followed by a rich hallmarked silver screen that then turns 360 degrees on its central horizontal axis. Now the 12-point star reappears through the total entirety of the scene at its central position location with limitless Deranged Paranormal Chimp laughing and wagging his mega force finger left and right and tutting, tut... Tut plus the famous fella version with the disguised little invention head again has a slick comb streaky grey/black side over Iain/Martin a left to right laughing very intimidatingly every 10 seconds slowly moving his head no left to right lasting 3 seconds each = 6 seconds onto, and... Completely across the shimmering new facets of this star pyramid. The rest of the scene shows off full size and scale sexy Sprites and building block Demons on the 12-point star pyramid façades as it turns 360 degrees around and shimmers signs of the coming new age of Aquarius and the Monkey shine feast plus alchemist's skill. Good day.

DERANGED PARANORMAL CHIMP AND THE FAMOUS FELLA WITH THE
DISGUISED LITTLE INVENTION HEAD PLUS SEXY SPRITES AND BUILDING
BLOCK DEMONS IN UNISON

Movie new bonus new scene... An Invention
Sophia.

Dear Iain MR Smack Wizard in his mind to
the thespian dramatic Magician and pro
beyond A.D. Big business deals and the
cash math symbols all foreseen universal
calculus plus the foreign entities plus
newly formatted text of the alchemical
mass. Circle with a centre dot, we do
not except traitors to the universe
dear, plus... Behold this is the finest
available yin and yang innovation shaman
"+" in that mighty symbol the black
effective and valid horny demon is right
plus new angled innovation nation
invention Demons capital X signages. I
will flawlessly waste your souls killing
them taking them from you. Mug you sir
of your souls and your country men and
their wives send them down to a very

dirty spread melancholy hellish limbo
lair gullet with their feet cut off yes
I can and will be prepared to send them
all traitors of the universe, to, A..
Limbo show them off today with hi-tech
not tat but done in legs big time made
into cream cheesy stumps and make'th
hard cheese stumps of their wives legs..
All that go with that action and flack
have but sh*t on their noses as the
maggots and pus masturbates over thy
enemies' mess do not test fate to many
times dangerous big madmen babies of
w*r. W*r is "bad" for business. Plus,
with deep inward eye flashes of ruby red
fire blizzards plus the Demons he
commands added is a magical spider in a
bag the bag having a pre-written label
print victory banner "Spider" for the
unholy heathen wench also has sexed wet
big un' but also the writer is so
creative he respects The Devil entity
but of course manifests love for the
bigger God in the bigger heavens. Now
ladies and gentlemen introducing
invention 1627 business concept

invention portfolio opportunity 1627.
New all in one miniature fit in pocket
movie dolls invention upgraded
schematic. This 3D and 50 mm in height
moving parts humanoid skeletal grid
powerhouses its outer casing all area
led screen output visual display and
audio of the whole area face and body
capture of the movie characters in which
the original actor/actress movie
sequences were filmed. The device has an
expandable software/movie drive for
further purchases. With an on-board
stereo speaker plus command microphone
plus command menu input touch screen is
located on the back of the device. As
standard the miniature movie dolls have
a memory bank of a hundred plus movie
trailers. Plus, the device has all
needed skeletal joints for extra all
needed movement plus also comes with a
360-degree ball jointed detachable stand
of which has a connected movement
alignment with the onscreen movie visual
output system. The double on board power
cell battery switch is charged by USB

plus mains electricity adapter pack.
Plus, also one arts thou in his mind to
the former days dark skinned bogeyman
restaurant guest and including the best
tat rust Maureen amounts into the finest
format silver argent vive transmutation
of other movie script works of the
companies... Fiction mad little helmet
case deranged paranormal chimp says
batter that man for his 30 pieces of
silver offer the cheeky c plus go f*ck
yourself your wife your monkeys in the
jungle that you jack and win it on viably
on the ones and twos. Well lieutenants,
generals, brigadiers and triumphant
angels rejoiced in the, I always wanted
to write a holy Sophia.

The End. The Credits Roll Up.
